Last Friday we welcomed Charlie Garcia and Theo Kalinderidis from Alliance Real Estate who came to our assembly to present the awards to the winner and runners up of the Easter Colouring In Competition. Jordyn of 1P was the overall winner out of 218 competition entries received across the District. She received a $100 Toys R Us Voucher. Congratulations Jordyn!

Tower Street was also one of four local schools that won a $250 prize. The students of the school were very excited to see the large cheque brought to our assembly hall by the colleagues from Alliance Real Estate. I must admit, I was too! A big thank you must go to Charlie and Theo for their generosity.

Thank you to Mrs Collins, 3-6 staff, parents and Year 6 students who made the Balloon Sports Afternoon on Friday a great success. Students were extremely excited performing running, crawling, throwing and balancing activities whilst making sure their balloon did not pop! The money raised ($185) will contribute towards the Year 6 Farewell.

We have received notification from the Department of Education and Communities that there will be the removal of two trees in the top playground in the incoming weeks. We have made changes to the playground area for the students until the trees have been removed.

Mrs Kearney will be taking leave for the last 3 weeks of term. Mrs Rhea Mangles will be taking KC for the last 3 weeks of Term 2. Mrs Mangles will be following KC’s regular program.

Stage 3 are currently attending their camp in Berry. I have received messages that they are having a wonderful time!

RESPONSIBILITY POSTER COMPETITION
Thank you to all who entered our poster competition for ‘Responsibility’.

There were so many entries and so many of high quality that showed consideration of layout and spacing, as well as a large, clear heading and pictures showing responsibility.

Teachers had a hard time judging them and decided that the following students should receive a bronze award for their efforts.

Bronze award
Nathan
Tayla
Harrison

And the winners are …

Arene

Ella

Ashleigh

These students have received a Silver Award and their winning entries are published in this issue.

The posters of all the students listed above are on display in the hall. We look forward to seeing the entries for our next value – ‘Cooperation’.

BALLOON SPORTS AFTERNOON
Last Friday Years 3 - 6 had a fun sports afternoon. Thank you to all those students who purchased a balloon for sport last Friday. First, we decorated our balloon and then we had races with the balloon, which were harder to do than we thought - but so much fun. After that, we did a round robin of activities in mixed groups. We finished off the afternoon with an ice block. What a great afternoon. We raised $185 towards our Year 6 farewell.

VALUES EDUCATION

This week and next week we will be focusing on the core value of ‘cooperation’. Please take some time to discuss what this means with your child.

Cooperation

- Work cooperatively with other people in your team or when playing
- Accept group rules for learning and playing
- Join in
- Be considerate of the needs of others
